VISION

We aspire to be a school from which students gain a sense of personal accomplishment, self-confidence and a lifelong love for learning. By fostering critical thinking through the inquiry process, our students develop a broad range of competencies for their future endeavors. We value a strong partnership where parents contribute to the education and success of their children.

1. We foster a well-qualified, highly-skilled and approachable faculty, and expect and support their professional development.
2. We inspire our students to strive for excellence in all aspects of their development: academic, intellectual, creative, social, physical and emotional.
3. We expect our students to become productive individuals and principled world citizens.

4. We respect every individual and every culture in our community. We believe that our diversity of cultures, languages and experience is a source of strength, inspiration and knowledge.
5. We promote the exchange of ideas and an atmosphere of openness amongst students, faculty, parents and administration.

MISSION

To create a community of life-long learners working together in a caring, challenging and nurturing environment that encourages enthusiasm, international mindedness, independence and responsibility where academic and personal potential can be achieved.

MESSAGE FROM THE CHAIRMAN

Dr. Ajeenkya D Y Patil

**Chairman
Ajeenkya D Y Patil Group**

Dear Parents & Students,

Each day our classrooms and corridors buzz with the intellectual energy of students engaged in lively dialogue with their teachers and each other. We welcome you to a school where our instructional spaces and informal areas brim with vigor and purposes as students reach for knowledge and strive for discoveries.

Our diligently evolved academic model engages students in an intellectual exploration that makes school exciting. It affords our students an uncommon kind of wisdom. For us, academic excellence is not limited to guiding students toward mastery of skills, but is meant for a higher purpose of guiding them to self discovery, providing a foundation to fulfill their potential and fully embrace life.

We believe that the combination of a rigorous academic programme with a strong emphasis on developing the body and soul and hence the focus on visual and performing arts, sports, physical education, yoga and other such activities which goes on to develop leadership and character in our students.

We strive for our students to propose ideas and participate actively, think with agility and to speak & write with exceptional fluency, power and precision as they grow here. We ensure that each child is cared for and sustained with love, compassion, and respect.

It is with great pleasure that we present you with this brief introduction of D Y Patil International School, Worli. Should you choose us for your children's education, we will do our best to assist you and your children to settle quickly into our community, and to help your children make the most of this educational opportunity.

As part of our community of learners, your children will experience a warm and welcoming environment, and gain a sense of confidence from the highly skilled and professional staff working here at the school. We are a happy, exciting place, filled with successful children learning the academic, personal and social skills necessary for life long learning, success and happiness.

MESSAGE FROM THE CHAIRPERSON

Mrs.Pooja Patil

Chairperson
Ajeenkya D Y Patil Group

Dear Parents & Students,

"Your child has an inquisitive mind, a willing heart and a vigorous spirit. As a parent, you desire him to develop multifarious skills in as many areas as possible – scholarships, the arts, technology and sports – so that he grows into the truest and best version of himself. So do we."

At DYPIS, Worli no matter what your child tries we are always in support. We foster curiosity, spurring him to new discoveries. We help him to leap from knowledge to understanding. Here he learns how to stand up for himself and for what's right – and realises what he is capable of accomplishing

MESSAGE FROM THE HEAD OF SCHOOL

Dear Students,

“You have to go through the falling down in order to learn to walk. It helps to know that you can survive it. That's an education in itself.” -By Carol Burnett Welcome to the enthralling world of International Curriculum!!! International education aims at developing global citizens who are able to understand the diversity in culture and respect its similarities and differences. The role of education is to go beyond the realms of conventional schooling. The curriculum should empower students to be critical thinkers and lifelong learners.

At DYPIS, Worli we promise to deliver the most challenging and intellectually stimulating curriculum to our students. We endeavor to create a learning atmosphere that would cater to varying needs of our young students. The learning journey will be full of experiences that would allow students to derive their own understanding.

DYPIS, Worli International Curriculum aims at developing global citizens who would understand cultural diversity and accept the differences with an open mind. The learning interactions will aim at developing attributes of learner profile by the time you graduate from DYPIS and take your first step in the outside world.

We wish you all the best and we hope that the skills built over this academic year will make way for a successful career and a satisfying life.
